

CERTIFICATE

ISO/IEC 27001:2013 Information Security Management System

VINCOTTE International SK&CZ s.r.o.

Letná 27, Košice, Slovakia

This is to certify that

HMS Industrial Networks

Located at

**Avenue Robert Schuman 22
1400 Nivelles
Belgium**

has established and maintains an information security management system according to the requirements of ISO/IEC 27001:2013 "Information Security Management System" for:

"The Information Security Management System (ISMS) for HMS Industrial Networks SA applies to the design, development, implementation, support & hosting activities of Talk2M* remote access solution for industrial users, on IT components hosted in the European Union, United-States & Japan areas. The scope of the ISMS is specific to the roles and responsibilities performed by the staff in the Nivelles BE location, focused on people executing sensitive actions in relation to Talk2M, in accordance to the HMS Industrial Networks SA ISMS statement of applicability.

**** Talk2M is our Sales to market secure industrial connectivity service in the cloud. It offers a highly reliable, efficient and secure solution for connecting eWON routers remotely."***

The latest version of Statement of Applicability: **BMS-052-119-SEC-FOR Version 3**

This certificate is based on the result of an audit documented in the audit report: **60637613**

Certificate number: **VSK-17-030**

Valid from **19 October 2017** to **18 October 2020**

Further clarifications regarding the scope of this certificate and the applicability of ISO/IEC 27001:2013 requirements may be obtained by consulting the organization VINCOTTE International SK&CZ s.r.o.
